## INTERIOR FITOUT

Doing it right costs less than doing it all over again, which is why our dedicated project management team are here to offer you our full support throughout the project, from planning to approvals to execution.

## DESIGN

It is not just about how it looks; it is also about how it functions. At ICONCEPT we do not just build, we create. Our Design Team will work hand in hand with you to ensure you will have the space that truly reflects your needs.

## FURNITURE

Depending on your preferred procurement process, we have partnered with local and international brands to provide you with bespoke and ergonomically designed furniture that fits your budget.

## IT & SECURITY

A strong IT infrastructure is vital in driving businesses achieve its goals. At ICONCEPT, we can tailor-fit your IT infrastructure requirements to enable your business collect data in real-time thus improving the way you do business. This investment helps your business operate faster and more efficiently, which then, affect the customer experience – internal and external.

## MEP SERVICES

Our MEP engineers work closely with architects, consultants, and owners throughout the design and construction process, analyzing and evaluating system options in the context of the entire project. This approach enables us to implement solutions that integrate with the overall space condition and function as designed.

## CUSTOMER RELATIONS

We will continue to take care of you even after the project is completed. As a client, you will immediately benefit from a 365-day defects liability period and aftercare services so you can fully enjoy your new space without having to worry.

# CLIENTS

List of honorable clients that we are proud of.

It's never business for us. It's always personal. So when you become our client, you become a partner for life. In time, as the market changes and new innovations appear, your business needs will likely change as well. When the time comes we'll be right there by your side to tend to your needs.

In fact, we have long-term relationships with many of our clients, and a high percentage of our work is repeat business. All because we believe in commitment, honesty and transparency.

## PROJECT PARTNERS

The team were a delight to work with. They were creative, thorough, and very flexible when it came to accommodating the tight timelines and budget. I would highly recommend ICONCEPT and will be working with them for our upcoming projects as well

## IMAX FZE

Jowell and his team were friendly, professional and prompt. We had a tight deadline and difficulties with security access all of which they managed quickly and in good humor. I was delighted with their work and would definitely recommend them.

## GENERAL MILLS

Overall, a positive experience to work with ICONCEPT. They found immediate solutions for unforeseen obstacles and resolved them in a timely manner with a positive approach. We give ICONCEPT our best recommendations for the future and we would definitely use them for any future projects.

## BIZ GROUP

ICONCEPT were very helpful in dealing with challenging deadlines and always produced their best results, sometimes against the odds. It was an absolute pleasure and honor to work with ICONCEPT.

BIZ GROUP can, without doubt, recommend their approach and work ethics. ICONCEPT is a superior fit-out company with a big future ahead.

## LEXMARK INTERNATIONAL

Overall, we are happy with works done by ICONCEPT. They are very professional, easy to work with and delivers. The staff are wonderful, can easily adjust with the changing client requirements. They'd go extra mile to ensure quality of service.

## INTELAK

The company delivered excellent work and crowdsourced the best suppliers to deliver the project in great time which reflected in the final result.
